WIN Two return trips with European Bike Express

The most relaxing way to travel into Europe, European Bike Express is a luxury coach-and-trailer service that transports cyclists and bikes to destinations throughout France and into Spain. There's no baggage-handler lottery: bikes are carried safely and fully-assembled in custom trailers. You can take any cycle – even tandems and trikes.

You can create your own itinerary from 25 Continental drop-off and pick-up points, starting and ending your tour in different places if you wish. CTC members already get a £10 discount on fares, but thanks to European Bike Express we've got two return trips for next summer – worth up to £247 each – to give away.

All EBE coaches have: seat-belted club class seats that recline 45 degrees and have leg support; extra leg room;

air conditioning; no smoking; table seats for dining; toilet facilities; headphones and screens for watching films or listening to music; Wi-Fi; a courier and hostess service; even cooking facilities. The trailers carry up to 54 cycles, which need to have their panniers removed and handlebars turned 90 degrees.

The ease of travel is probably why there are so many repeat bookings by CTC members. In fact, EBE was set up in cooperation with CTC in 1993.
