EACH TICKET SOLD HELPS CYCLING

# CTC GRAND DRAW

*The raffle tickets included with this issue of Cycle raise key funds for CTC's campaigning and development work, as Chief Executive **Paul Tuohy** explains*

enter using the form that was enclosed with this issue of Cycle.

## WHAT THE GRAND DRAW DOES

All funds raised from the Grand Draw help CTC to:

- promote safer cycling;
- enable us to support more inclusive cycling projects including disabled cyclists;
- lobby the government for a better deal for cycling; and
- improve existing services to our members.

Our membership is what makes CTC special. And the fact that there's nearly 70,000 of you helped us secure £1m funding for the Big Bike Revival this year. That project encouraged 30,000 people to cycle, some for the first time in years. Many of the participants are now cycling regularly. This is making government realise that CTC, the oldest cycling movement in the UK, is worth listening to!

We are asking everyone either to buy or sell tickets (or both) to generate their £20 worth of ticket sales. If you need additional tickets, just call us directly and we'll get them to you pronto! You have to be in it to win it, of course, and it's all for a wonderful cause. Don't forget: your chances of winning the top cash prize are about 300/1 better than the National Lottery!

**YOU KNOW** autumn is in the air when the annual CTC Grand Draw tickets arrive with your copy of Cycle. Don't throw them away!

The Grand Draw is our main fundraiser, supporting our work as the national cycling charity. I do hope you and your friends will reach in your pockets to part with just a few pounds to buy tickets.

As usual, you get the opportunity to win some amazing cycling prizes – or even a brand new bike. And if that's not enough, one of you is definitely going to win £3,000 in cash!

## CTC'S VISION

CTC's vision is of a healthier, happier and cleaner world, because more people cycle. We want people of all ages, backgrounds and abilities to be able to cycle safely, easily and enjoyably.

Buying or selling our Grand Draw tickets really helps us to support one of the most important activities in our own lives and the lives of others – cycling!

As the national cycling charity, CTC has

championed the cause of cycling for well over a century. We promote all forms of cycling, protect the interests of existing and would-be cyclists, and inspire anyone and everyone to discover the joys of cycling.

As the nation's 'home of cycling', our activities reflect the commitment of our members, volunteers and partners to make cycling mainstream. Doing this will make a lasting difference to the lives of individuals and communities.

## YOUR SUPPORT FOR CTC

As an independent charity, we are heavily reliant on voluntary donations for funding. Last year, CTC's charitable expenditure delivering cycling projects and promoting our work to encourage more people to join us was £5m.

Our membership raises £1.7m but we raise an additional £3m to support cycling. We do this through grants and donations. Your support of our CTC Grand Draw is a simple way to raise funds for our work and win fantastic gear for your bike (or a new one!). We've made it really easy for you to
