## THIRD-PARTY INSURANCE COVER TO £10MILLION

In today's litigious times, CTC's third-party insurance cover is more important than ever

**CTC'S THIRD-party** insurance covers members normally resident in Great Britain, Northern Ireland, the Isle of Man, or the Channel Islands. Cover is given under a policy taken out by CTC with Aviva under (policy number 24911768CCI). The policy has a maximum liability of £10,000,000 in respect of each incident

### Summary of cover

Cover is available for injury or damage caused by you to a third party while you are cycling anywhere in the world except the USA and Canada. A third party means anyone other than someone employed by you. You will not be covered for damage to property belonging to another member of your family. You are covered if you are cycling on a cycle (unicycle, bicycle, tricycle, tandem or

trilet) unless it is driven by mechanical power other than electric assistance.

- You are automatically covered while you are a fully paid up individual member of CTC.
- You are covered while you are using your cycle for private and professional purposes, including business cycling.
- You will not be insured if you are specifically employed as a cyclist e.g. as a cycle messenger.
- You are covered while cycling in touring competitions, reliability events, audax events, charity rides, challenge rides, time trials and in record breaking. You are not insured for any other form of competitive cycling.
