

# CTC South West London Hilly 50km

## Ryka's Car Park, Box Hill, Dorking, RH5 6BY

In Memory of the late Mike Morley  
and in support of **St Raphael's Hospice**

Distances are in miles and are approximations for guidance only.

(R = right; L = left; SO = straight over; SP = signpost; rbt = roundabout; tj = T-junction; x-rds = crossroads)

General: Some road surfaces are poor. Potholes can be found almost anywhere, including potholes hidden in puddles. Always be aware of other road users, especially oncoming vehicles on narrow lanes. It is your responsibility to assess the conditions and ride accordingly.
